# Thanks from our Scholarship Recipients.

Schoolcraft College awards money each year from the Jane K. & John W. Moehle Memorial Endowment. The award is based on the value of the endowment each year. This past year \$1,222 was given from this fund.

Laura Bloomingburg wrote that her husband was injured on the job and has not been able to return to work, and she was on bedrest for her second pregnancy. She realized that to have a more secure future for her family, she needed to return to school. At Schoolcraft she is studying Health Information Technology with an additional certificate in medical coding, and she hopes to continue toward a nursing degree. "I cannot express how grateful I am. Am committed to my education for myself and for my family and your generosity has allowed me to get another step closer."

Allie Dudash has four years' experience as a registered dental assistant. She decided to further her studies and become a dental hygienist. Allie is completing prerequisites at Schoolcraft and then will enroll in Oakland Community College's dental hygiene program. She very much appreciates our assistance as she begins on this new path.
